

National Environmental Policy Act (NEPA)

- 1) Review project for environmental concerns in the areas of natural resources protection, cultural resources protection, and environmental compliance.
- 2) Determine if project can be categorically excluded (CATEX'd) or if an environmental assessment needs to be considered by discussing the action, if necessary, with the various resource and regulatory agencies as applicable (Fish and Wildlife Service (FWS), State Historic Preservation Office (SHPO), Local and Federal Environmental Protection Agency (EPA), National Oceanic and Atmospheric Administration (NOAA), Army Corps of Engineers, National Marine Fisheries Service (NMFS), Coastal Zone Management Office (CZMO)).
